

# SLUG MAG '11 DISTRIBUTION MAZE

*SLUG Magazine* doesn't just rely on our excellent team of volunteer writers, illustrators, photographers and designers; we also need a dedicated group of distribution drivers to get each month's magazine dropped off to hundreds of locations across Utah. Below is your chance to play

Distro Driver — take your load from *SLUG HQ* and drop off bundles of mags to some of Utah's most iconic spots across the valley. And if this maze convinces you to join the rat race, apply to become a real *SLUG* Distro Driver on the Opportunities page of [SLUGMag.com](http://SLUGMag.com)!
